Re: WT Docket 11-65

August 1, 2011

Dear Chairman Genachowski and Commissioners

As a registered voter in the state of Colorado and a heavy user of mobility solutions, I wholeheartedly support the merger between AT&T and T-Mobile. Currently, my service levels with T-Mobile are less than optimal, and it is my understanding that this deal will radically improve the coverage I will receive from the new, combined entity. From a business standpoint and a personal perspective, I strongly believe that the combination of AT&T and T-Mobile is good for me, good for my family, good for Colorado, and good for the United States.

Thank You,

Eric L Cremer
